8. Imagine you are the editor of a health magazine and you just receive a letter from a grade 5 learner who just lost her grandfather to COVID-19. You are required to write a response to the learner offering some helpful advice.

Dear Editor,

I'm an eleven year old girl and I am in the 5<sup>th</sup> grade. I wrote this letter feeling very heart broken because I have just lost my grandfather to COVID-19. I'm confused, I don't really understand what COVID-19 is and how someone can avoid catching it. I wish I knew that information before my grandfather fell sick., maybe he would still be alive. I feel lost without grandfather as we were very close. Please help me.

Heart broken.

Write a response to the letter to help the writer understand what you were taught about COVID-19 and advise her on how to deal with the emotions she is currently going through.

Use the given rubric to guide you.
