3. Jody wrote a little poem for her teacher. I hope you enjoy reading it. The name of the poem is "Busy little elves".

#### **Busy little elves**

When the sun goes down late at night,  
Please don't get a terrible fright.  
Tiny elves come out from hiding places.  
They like to put smiles onto little faces.  
They tickle your feet when you are fast asleep.  
They don't make a sound or even a peep.  
Before you wake up they hide away.  
Unfortunately they cannot stay.  
When you are awake the elves are asleep,  
Dreaming of ways to tickle your feet.

### Little black duck

One night as we sat having our supper at about seven o'clock we heard a very faint quack at the back door. When we opened the door we saw a little black duck that looked very sick. He could not stand up and he could not fly. We put him in a warm, dry box. Father said, "Pour a little milk down his bill." We did this and then he went to sleep. Next day my brother and I fed him with bread and butter for his dinner. He liked this very much. Then he had a drink of water.
